# Month 5, Week 17

## Episode 54: Teaching Math

"The Principality of Mathematics is a mountainous land... People who seek their work or play in their principality find themselves braced by effort and satisfied with truth." *Ourselves, Book I, p. 38*

Notes:

# Month 5, Week 18

Choose about 10 pages to read from the following:

- Home Education, Part V, XV
- Towards a Philosophy of Education, Book I, Chapter 10, Section III
